# OUR **#INSPIRINGTOMORROW** JOURNEY

At **FBNQuest**, **sustainability ranks high among the priorities** of our activities and taking environmental and social aspects into account is part of good business and leads to sustainable development.

As an organisation, we believe that economic growth and healthy environments go hand in hand.

We believe in the importance of impacting our employees, environment and society **through sustainable corporate responsibility practices and activities**. As a forward-thinking organisation, we focus our attention on both increasing our bottom line and being a good corporate citizen.

**Sustainability goes beyond philanthropy or charitable giving**, and extends to our business decisions, processes and operations, governance structure, codes and practices, employee welfare and well-being, and our health and safety policies and procedures.

# OUR SUSTAINABILITY STATEMENT

*We are an ethical organisation committed to conducting business in an innovative and sustainable manner, delivering value to all stakeholders.*

At FBNQuest, we have adopted a Corporate Responsibility & Sustainability (CR&S) approach which aligns with our overall visions and goals as an organisation across three different pillars which are:

Knowledge & Skills Development

Sustainable Finance/Investment

Environmental Sustainability  
and Energy Investments

# OUR JOURNEY SO FAR

*Over the years, the impact of our Corporate Responsibility & Sustainability activities have led to:*

**Employee Volunteering:** Increased and active employee engagement and involvement in community support and environmental sustainability initiatives.

**Partnerships:** Strengthening existing partnerships while establishing new ones to drive stakeholder engagement and social impact.

# KNOWLEDGE & SKILLS DEVELOPMENT

Our objective is to contribute significantly to the development of skills for women and youths in a bid to improve their educational, career and entrepreneurial prospects, as well as to close the gaps in inequality. We strive to deliver the most competitive and relevant training and internship opportunities within the industry for talent development.

Race2September  
Initiative

over

**1,000** students

---

impacted in two schools. Employees volunteered as teachers educating the pupils on career success skills to increase their chances of being employable after they graduate

# KNOWLEDGE & SKILLS DEVELOPMENT

In our bid to improve educational, career, entrepreneurial prospects and contributions towards the economic development of Nigeria, our goal is to promote the understanding of financial investments and literacy across various stakeholder groups.

## Bloomberg Terminals
